

Two or Three-Week Summer Camps

Rabito Golf World Academies Summer Camps are for the athlete that is just starting out or has been playing for years and seeing the next level. These 2 or 3 -week programs are set up for everyone's skill level. Carl Rabito has developed a specialized program to Fast-track player development, results, and success. Our camps provide a working environment to heighten players understanding of all aspects of golf, from fundamentals to advanced on course strategy in competition. Full and half day camps provide golfers with 18-hole championship golf courses, driving ranges, short game facilities, clubhouses, dining, and locker rooms. Our courses are conveniently located in Orlando, Florida and Chicago, Illinois. Every golfer at our camps receives in depth video swing analysis, guided understanding about "Structure Governs Function", setup, backswing, transition, impact, and the finish - short game chipping & pitching, putting & green reading. For our advanced players we discuss on course strategy, shot selections, course architecture & yardages, and how to improve scores.

Guidance & Training for Every Skill Level

Mechanics & Techniques

Full swing, pitching, chipping, putting with in-depth individual video analysis. Focused development on the individual's strengths and weaknesses and how to best improve every area.

Physical Health

Flexibility, range of motion, joint mobility, injury prevention, increase strength and swing speed.

Mental Acuity

Preparation, attitude, self-confidence and understanding success.

Competition

Mental discipline, shot selections, pre-shot routines, course management, strategy & tactics.

RABITO GOLF WORLD
ACADEMIES

Parents please note:

This is a serious Golf camp program. It is designed for those students that wish to become better golfers and are not just on a vacation.

There are many summer camps available through our partner, *A+* Global Education that do not feature an intense golf program such as ours.

These camps featured here have highly qualified golf instructors that work with professional golfers throughout the year. The camp is intended to be both highly instructional and fun.

We also offer a full-year program that includes a full year of US High School education at a Blue-Ribbon school in Florida, if the student's performance at the camp demonstrates their desire to be a great golf player.

For more information about these golf camps, other summer camp options, or a full-time golf program for high-school students please contact:

Students will stay, two to a room, in a quality hotel, close to the golf club. Optional weekend sightseeing or shopping trip available on request. Charge is not included in camp fees. Payment required on day of activity.
