Why you should be part of Spencerville Academy

Welcome to Spencerville Academy

Located in Spencerville, Maryland, 14 miles from Washington DC Spencerville Academy offers a modern, well equipped facility and a quality educational program for all students.

This private school was established in 1943 and currently houses approximately 400 students. The *A+* Homestay program in this area offers excellent, safe, educated families to care for International students.

Spencerville Academy is accredited by the Middle States Association of Colleges and School

Spencerville Adventist Academy continues to be of service to the greater metropolitan area by providing college prep education for grades Pre-K through 12th in a state-of-the-art facility with certified experienced educators whose desire is to make a difference in the lives of all children.

STEM CERTIFICATE PROGRAM

STEM APPLICATION PROCESS

Students must :-

1. Apply at the end of their freshman year
2. Have a B average in Science and Mathematics during Freshman Year
3. Submit a 250-word essay outlining why they would like to be considered for the program a B average in Science and Mathematics during Freshman Year

Spencerville Adventist Academy prepares our students for college and beyond by offering a STEM program where Science, Technology, Engineering and Mathematics are taught as an integrated, learning model based on real-world applications. This paradigm motivates and engages students to learn, preparing them to be technologically literate, innovative problem-solvers, logical thinkers, and sound in mind, body, and spirit, ready for the challenges and demands of a technological global society.

Something For Everyone

The school is well equipped with a large gymnasium. Sports played are soccer, volleyball, golf, basketball, baseball and gymnastics.

The music program is strong in the school with choir, orchestra, jazz band, band and hand bells being offered to students.

The school offers AP Calculus, AP English Literature and students have the option of signing up for online AP courses.

An electronic grading system called Renweb is used for reporting to parents.

The Academy is a member of the National Honor Society.
